

Jewels of Arabia

الجواهر العربية

2012 - 2013

“**Jewels of Arabia**” is the latest elite addition to our luxury titles dedicated to the premium watches & fine jewellery and lifestyle sectors. This elegantly compiled and well-documented, coffee table masterpiece is published annually. It studies and traces the history and fascination for jewellery in the Middle East through the ages and the impact of neighbouring civilisations on its development. This is in addition to the modern trends and the latest in designs. This 4th edition will be published in October 2012.
